

Job Title: In-House Service Technician – Packaging Systems

Location: St. Clair Shores, Michigan (On-site, no travel required)

About UTSI: UTSI is a leading provider of packaging solutions, offering a range of innovative and reliable equipment to enhance productivity in various industries. We specialize in packaging systems, including strapping machines, stretch wrappers and shrink bundlers; helping businesses streamline their operations. Learn more about us at [UTSI Tech](#).

Job Description: We are seeking a motivated and mechanically inclined **In-House Service Technician** to join our team at our St. Clair Shores headquarters. In this role, you will focus on repairing and maintaining tools and packaging equipment, supporting shipping and parts operations, and ensuring equipment is ready for deployment. This position offers an excellent growth opportunity to advance into a field service role in the future.

Prior experience with packaging systems is not required, full training will be provided on our systems.

Key Responsibilities:

- Perform in-house repair and maintenance on packaging systems, including strapping machines, stretch wrappers, and shrink bundlers.
- Troubleshoot and resolve mechanical and electrical issues to ensure equipment is in optimal working condition.
- Assist with tool and equipment repair as well as shipping and parts depot duties.
- Prepare equipment for delivery and ensure accuracy of outgoing shipments.
- Maintain accurate service records and documentation of repairs performed.
- Collaborate with the service team to ensure efficient operations.

Requirements:

- Strong mechanical aptitude with hands-on experience repairing and maintaining equipment such as small engines, power tools, lawn care machinery, industrial machinery, or similar systems.
- Basic electrical knowledge is preferred but not required.
- Ability to work independently and manage time effectively in a shop environment.
- Excellent communication and teamwork skills.
- Able to stand for extended periods of time while performing tasks.
- Capable of lifting and carrying up to 65 lbs. in compliance with safety standards.

What We Offer:

- Comprehensive training on our systems.
- Long-term career growth opportunities, including advancement into field service roles.
- Benefits include paid vacation and health insurance.
- Competitive compensation is based on experience, with potential for growth and advancement.

If you're looking for a hands-on role in the packaging industry with clear opportunities to grow, apply today to join the UTSI team!

Service Technician (In-House / Mechanical Equipment)

Location: St. Clair Shores, Michigan

Schedule: Full-time | On-site | No travel required

Position Overview

UTSI is seeking a **hands-on, mechanically inclined Service Technician** to join our in-house team at our St. Clair Shores headquarters.

You'll **repair and maintain packaging systems and mechanical equipment**, assist with **shipping and parts operations**, and ensure tools and systems are ready for deployment.

This is a **stable, full-time position with no travel**, offering hands-on work, a supportive team, and long-term growth potential.

 **No packaging experience required — full training provided!**

Key Responsibilities

- Inspect, repair, and maintain **industrial packaging systems** (strapping, stretch wrap, and shrink bundling machines).
- Troubleshoot and resolve **mechanical and electrical** issues.
- Support daily operations in the **Tool Repair and Parts Depot**.
- Prepare and verify equipment for delivery.
- Maintain accurate **service records and documentation**.
- Collaborate with service and operations teams to ensure efficient workflow.

Qualifications

- Strong **mechanical aptitude** with experience repairing or maintaining equipment such as small engines, power tools, or industrial machinery.
- Basic electrical knowledge preferred but not required.
- Ability to work independently in a **shop environment**.
- Reliable, detail-oriented, and organized.
- Excellent teamwork and communication skills.
- Able to stand for extended periods and safely lift up to **65 lbs.** in compliance with safety standards.

What We Offer

- ✓ **Comprehensive training** on UTSI's packaging systems and tools.
- ✓ **Career growth** opportunities, including advancement into field service.
- ✓ **Competitive pay** based on experience, with room for advancement.
- ✓ **Health insurance and paid vacation.**
- ✓ **Local work – no travel required.**

Why Join UTSI

At UTSI, you'll join a team that values **craftsmanship, reliability, and innovation.**

We take pride in helping customers keep their operations running smoothly and we invest in the people who make that possible.

Apply Today

If you're ready for a **hands-on mechanical role** with a clear career path, apply now to join the UTSI team in St. Clair Shores!
